## Each Stamp Means Something Given Up to Help Starving Children

3

When you give up something or earn 1 cent, 5 or 10 cents, tear off a stamp, paste it on a blank square and put the money in your Gift Box.

When the book is full return it to your Sunday-school teacher and receive a button.

Each child should have a separate book even if it proves impossible to complete it. A book MAY be taken by two or more givers IF NEC-ESSARY. Each giver will receive a button.

HESE children live in the land where Jesus used to live and where he said to little children just like them, "Suffer the little children to come unto me." They are waiting now, hoping that the children of America will send them something to eat and something to wear. Are you one of the children who are planning to help?

UNDREDS of children in Armenia and Syria are hungry. There is no milk for them to drink for their cows have been driven away. There is no bread. There are no eggs. Sometimes for breakfast they eat orange peel which has been thrown into the street, and then go into the fields and try to find grass. They are cold too for they have no coats. Were you ever hungry or cold?
