ARMISTICE AND PANTRY MERRY CHRISTMAS DAY DRIVE SUCCESSFUL

ORATORICAL CONTEST INTER*ESTING

The R.I. Academy's Annual Armistice Day program convened Sat. Nov. 13 1937. In our midst was a goodly number of visitors, patrons and friends. The program consisted of oratorical contests among the students of our school. Due to the fact that Armistice Day was not distantly removed the subjects were related to "peace". The participants were: Misses Uvelia Adkins, Queen Green, Margaret Baughan, Ryland Holmes. Their orations were so well composed and rendered that we wished it were possible that each one could have received a compensation, which he deserved.

Those who had the difficult task of juggling were: Miss Flor entin Jordan, Miss Mozelle Thomas, and Rev. C. P. Morris. Finally Miss Adkins and Ryland Holmes were tied for the first prize. The performances drew tremendous applause from the audience.

The rest of the literary Program was carried on by our Choral Club. Remarks were made by various visitors.

Our pantry was replenished to a very large extent with many utile contributions. We were the thankful recipients of: 135 qts fruit and 54½ lbs. vegetables and 10 bu. of various commodities.

MISSIONARY SOCIETY SENDS GIFTS

The R.I.A. Junior Missionary Society organized Oct. 18, 1937. This society was organized for the purpose of teaching the students Christ-like ways in the school, and teaching them how to carry on services in the public. We dwell entirely on the subject, Missionary Work. To help the students better understand the program committee rendered a play, entitled, "Importance of Missionary Work". The students were very much benefited because it showed the conditions now existing in Africa.
